

Kerala Sandeepany

(Chinmaya Seva Trust, Kerala)

Blessed Self,

‘To give maximum happiness to maximum people for the maximum time’, is the motto of Chinmaya Mission and the path chosen is dissemination of knowledge.

The Chinmaya Sandeepany Sadhanalayas work as the cornerstones of this great endeavor by creating Acharyas who dedicate their lives to spread the lineage of Arsha-Bharat and the knowledge of Vedanta – the highest of all knowledge streams. It is this Knowledge which guides us towards a meaningful life.

Vedantic courses have been going on in various parts of India in english and regional languages. As a part of this initiative, we are happy to announce the commencement of a 2-years Residential Vedanta Course in Malayalam by Kerala Sandeepany, which will start from 2nd Oct 2018. This residential course will be conducted at Adi Sankara Nilayam, the birth place of Sri Adi Sankaracharya for the aspirants in the age group of 20-30 years.

Pujya Swami Viviktananda, Regional Head of Chinmaya Mission Kerala, will be the Mukhya Acharya and Swami Sharadananda will be the Resident Acharya of this course. The veteran Acharyas of Chinmaya Mission such as Swami Asehananda and Swami Gabheerananda, will also be guiding the students. This course is completely free for interested youth below thirty years.

It is the duty of every Indian to protect, support and nurture the dharma of ancient Rishis. We welcome everyone to be part of this initiative and strive together to preserve the Sanatana through generous contributions to Rishi putra Nidhi and by inspiring aspirants to come forward and join the course.
